Black and white studio portrait of Henry Western, husband of Ada Hester Bennet Western. In this image, the subject is posed beside a whicker chair with one hand resting on the chair back. He is wearing a dark-colored suit, with an ill-fitting suit jacket. Background is a painted landscape, featuring a tree and a lake. The same background appears behind Ada Hester Bennet Western in PH 19. This image is a copy. late 1800's

Legend included in file: Henry Western homesteaded 160 acres of land which included the land where the Gravel Pit School was built in the late 1800's.

Sepia-tone photograph of the Miller family. Five adults (three men, two women) and one female child are pictured in this image. The eldest man is seated in a wooden chair while the rest of the party are standing around him. The young man and woman on the left of the image are holding hands. This picture was taken outside, beside what appears to be a raspberry bush; the corner of a wooden structure is visible in the background. Note: This is not the Miller family for whom Miller Creek was named.
